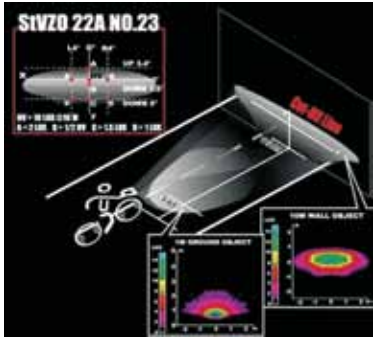
M2 | Smart E-bike electronic parts ODM

E-bike HMI control system (only for mass customization)

2.4 -inch color screen computer
GPS positioning for bike
APP control light system
Bluetooth 4.0 bike speaker music play
APP automatic lock the bike
Telephone message display
3000 Mah lithium battery
Support bike dynamo and 42V-78V e-bike battery team

German Stvzo standard Bike front light

Design by German light team
Professional automotive type lighting
3 different brightness region
Bright-dark cut-off line design
Luminous intensity : 260Lm
Day cycling light on both sides
1800 mAh rechargeable battery
Other smart technology



5400mah Bike Power Bank with LED Light

Cree LED, 180lm brightness, with metal rotate axis
Build-in real capacity of Li-polymer 5400mAh battery
Smartphone/GPS bike holder, can be easily installed on the front bar
Red light SOS function
Input 5V-1A
Power bank output 5V-1.5A
Waterproof: IPX6
PC+ABS engineering plastic with sport carve
Dimensions: 120mm×66mm×17mm
Weight: 165g

Wireless Turning Laser Light

Including two colors of LED light, red and yellow
Designed of wireless remote control fixed on the front handle bar for the rear light
Indication the turning direction with two ways, yellow light on with the direction while red light rolling from the other side to the direction side
Safety area identifying by the Laser light
SOS Signal
Day/night auto On/Off
Waterproof: IPX4
Battery: 1pc 18650 type, 2000mAh, rechargeable and removable
Weight: 90g

Smart on/off rear light

Rechargeable battery 900mAh,36 hours lighting
7 kinds of flash mode, Streamlined flashing
Four sides visible light
Day/night auto on/off
Automatic startup when cycling, Automatic shutdown when stationary
PC+ABS engineering plastic
Waterproof: IPX6
Dimension: L40mm×W25mm ×H25mm, Mini size
Weight: 30g

S1 Turning Signal Music Call Helmet

IXP 6 | 2000mAh | Rechargeable | Wireless turning | Music play

Turning Signal Music Call Helmet

Wireless turning signal light
Bluetooth 4.0 music player
Mobile phone answering
Rechargeable Battery : 2000 mAh
Waterproof : IPX6

CE FC RoHS
BQB BMSI Stvzo
