FOUR COLORS, ONE EDGE

Choose your shade, own the trail

COUNT EVERY GRAM

Twin blades, zero compromise

ROCK SE/MINI

SE and MINI—ROCK's answer to "go light or go capable." SE swings between town carry and trail work without missing a beat. MINI hides as backup until the moment small steel saves the day. Twin blades for those who count grams but won't compromise when it counts.

Product dimensions are measured manually; allow a 5–10 mm variance which does not affect normal use or performance.

LIFETIME WARRANTY

We provide a lifetime warranty against manufacturing defects. For returns or repairs, contact customer service with your order details. Normal wear, misuse, and accidental damage are excluded.

HEAVY WORK BLADE

Splits firewood clean, stays sharp longer

ROCK APEX PLUS

When the trail is overgrown and camp needs clearing, the ROCK APEX PLUS machete swings true—cutting a path through saplings, splitting stubborn logs for the fire, and powering through heavy chores. A balanced grip turns hard swings into controlled, confident cuts.
