

The WIDA Consortium is a non-profit cooperative group whose purpose is to develop standards and assessments that meet and exceed the goals of [No Child Left Behind \(NCLB\)](#) and promote educational equity for English language learners (ELLs). Through standards, assessments, research, and professional development, WIDA provides meaningful tools and information to educators working with ELLs that are anchored in research-based practices for serving these diverse learners.

WIDA has steadily grown and will always consider extending membership benefits to other interested states. We recommend that you review the entire WIDA website as you gather information about the services and products offered by WIDA. We would particularly suggest the [WIDA Mission](#) page as a first step when considering Consortium membership.

WIDA Consortium members are shown in **BLUE**. The striped states have adopted the WIDA English Language Development Standards but do not participate in other Consortium activities. **GREEN** listings indicate the adoption of the WIDA Spanish Language Development Standards. Many other schools nationally and internationally have adopted WIDA resources for use in their English language development programs.
