IRON CROWN TRANSPORT

Built on Grit. Driven by Integrity

THE IRON CROWN STANDARD we are a **veteran-owned and operated,** father-and-daughter trucking company built on integrity, reliability, and hard work. We provide dependable box-truck and regional freight solutions for businesses that need their shipments handled with care, urgency, and accountability.

We specialize in **FTL, LTL, same-day, and expedited freight**, offering direct-to-shipper service without the delays and confusion of broker networks. When you work with Iron Crown, you know exactly who is moving your freight — and who is responsible for getting it delivered safely and on time.

Our family-run structure allows us to move faster, communicate better, and treat every load like it matters — because it does. At Iron Crown, your cargo isn't just another number. It's your business, and we protect it like our own.

WHO WE SERVE We specialize in high-stakes logistics for industries that cannot afford delays:

- **Industrial & Manufacturing:** Moving the machinery that builds the world.
- **Commercial Distributors:** Keeping supply chains fluid and responsive.
- **Time-Critical Enterprises:** Providing the speed needed for emergency restocks and tight deadlines.

WHY PARTNER WITH US?

- **Elite Reliability:** Our fleet and driver network are vetted for maximum performance and safety.
- **Total Transparency:** Real-time communication and tracking so you never have to guess where your investment is located.
- **Versatile Solutions:** From single pallets to dedicated full truckloads, we scale to your specific volume.
- **Asset Protection:** We utilize industry-leading securing protocols to ensure every mile is a safe one.
