FOR IMMEDIATE RELEASE

TacticalPay to Exhibit at SHOT Show 2027, Booth 42850

Newly independent firearms-payments company brings live demos of TacticalPay POS, TacticalPay Tap and the new TacticalPay Gateway to Las Vegas

KINGWOOD, Texas — October 27, 2026 — TacticalPay LLC, the industry leader in firearms payments and POS, will exhibit at the 2027 SHOT Show® at The Venetian Expo and Caesars Forum in Las Vegas, January 19–22, 2027, at Booth 42850. The company returns to SHOT Show as an independent, founder-owned business for the first time, following its October 2026 move to full ownership by co-founders Rich McIver and Andy Hagans.

Owned and sponsored by the National Shooting Sports Foundation® (NSSF®), SHOT Show is the largest trade show for the firearms, ammunition, hunting and shooting-sports industry, and the one place each year where gun store owners, FFL retailers, ranges and online sellers meet the companies that serve them.

“Firearms payments is all we do, and SHOT Show is where our customers are,” said Rich McIver, Co-Founder and CEO of TacticalPay. “When mainstream processors turn gun stores away, we say yes. This year we are bringing the whole lineup to the booth so FFLs can see, in a few minutes, how a point of sale, a payment gateway and a merchant account built for this industry work together.”

At Booth 42850, attendees will see TacticalPay POS in action, a full-featured gun store point of sale with ATF compliance built in: electronic bound book, 4473s, serialized inventory, trade-ins, consignments and gunsmithing. They can also try TacticalPay Tap, the tap-to-pay app that turns a smartphone into a card terminal for the counter, gun shows and events.

The booth will also introduce the TacticalPay Gateway, the company’s new firearm-friendly payment gateway for websites, phone orders and GunBroker, with connections to WooCommerce, BigCommerce and more than 200 other platforms. Dealers are invited to bring a current processing statement for a side-by-side review or to book a one-on-one demo during the show. TacticalPay publishes its pricing online and approves most firearms merchant applications in one to three business days, with support from its in-house team in Texas.

SHOT Show is a trade-only event. Admission is restricted to industry professionals, including retailers, distributors, manufacturers and the media. The show is not open to the public. Visit shotshow.org for attendance requirements.

About TacticalPay

TacticalPay LLC is the industry leader in firearms payments and POS, in business since 2015. Its firearms merchant accounts and FFL software give gun stores everything they need, in one place. Products include TacticalPay POS, TacticalPay Tap and the TacticalPay Gateway, all running on gun-friendly credit card processing. Learn more at www.tacticalpay.com.
