

OCEANIA NEWEST PRODUCT INTRODUCTION: THE OPTIMALE SERIES BATH/SHOWER SET

(Thetford Mines, February, 2016) With great pride, Marc Dussault, President of Oceania Baths Inc., presents a revolutionary modular concept for compact bathrooms: the Optimale Series.

Created two years ago, this unique concept bath/shower combination is a modular design that interlocks the bathtub, shower pan and glass shower enclosure into a single unit. The designs meet the multiple needs of design professionals, architects, contractors and remodelers wishing to provide their customers with aesthetic and functional solutions.

The Optimale Series: A unique, contemporary concept for small spaces.

This innovative and original concept, developed by Oceania, creates a feeling of spaciousness in smaller environments with the following characteristics:

- Shower and Bath interconnected
- Modular system with over 70 possible configurations
- Glass Shower Doors and Walls are 3/8" tempered glass benefiting with the exclusive Oceania Clear View™ water repellent technology.
- Polished stainless steel rollers, hinges and hardware on glass shower enclosures.
- All Acrylic surfaces are 100% Lucite XL®
- Perfect for large and small renovation projects, new construction projects or for residential renovation projects.

The Optimale Series offers Comfort in Space Optimization

Linear Mounting (ML)

Parallel Mounting (MP)

Angular Mounting (MA)

ABOUT OCEANIA BATHS

Founded in 1990, Oceania Baths is a Quebec Canada based manufacturer creating unique products for the residential spa environment. The product is distributed and sold throughout North America.

Whether it is Glass Shower Enclosures, Soaking Bathtubs or AirBaths, its products distinguish themselves through technological and design innovations. Pleasing to the eye, these beautiful products are designed and manufactured in Quebec Canada with the greatest respect for the environment and local economy.
