CalcuQuote to Exhibit at IPC APEX Expo

Dallas, TX - CalcuQuote, a software and service provider to the EMS industry, is exhibiting at IPC APEX Expo 2020 in San Diego, CA.

With industry-leading software and consulting services for electronic contract manufacturers (ECMs), CalcuQuote offers their flagship product QuoteCQ, an end-to-end RFQ Management Software, and their new purchasing product, ShopCQ, along with additional consulting services for their clients.

“At CalcuQuote, we have focused our mission on helping move the EMS industry forward both in software and services,” said Chintan Sutaria, Founder and President of CalcuQuote. “We partner with our customers. With decades of industry experience and years assisting over 150 EMS companies improve and streamline their process, we continue to advance our mission.”

CalcuQuote will be exhibiting at the IPC APEX Exposition at Booth **#2553**, San Diego Convention Center on February 4-6, 2020.

About CalcuQuote

CalcuQuote moves the EMS industry forward with process and technology expertise to solve complex problems. CQ's flagship product is QuoteCQ - a comprehensive Quote Management System for high-mix, low-volume Electronics Manufacturing Services (EMS) companies. By integrating with major component suppliers and using custom labor profiles, CalcuQuote enables a sophisticated request for quote (RFQ) process that delivers quotes with unrivaled speed and precision.
