ViTrox Unveils Next-Gen Inspection Solutions at IPC APEX EXPO 2025

PENANG, MALAYSIA – December 2024 – ViTrox, which aims to be the world's most trusted technology company, is thrilled to announce its return to the IPC APEX EXPO 2025, the largest electronics manufacturing event in North America. The event will take place at the Anaheim Convention Center, California, from March 18–20, 2025, where ViTrox will present its full and comprehensive suite of advanced SMT PCBA solutions at Booth #1810.

Attendees will have the opportunity to explore ViTrox's cutting-edge technologies, including Solder Paste Inspection (SPI), Advanced 3D Optical Inspection (AOI), Advanced 3D X-Ray Inspection (AXI), Advanced Robotic Vision Solutions (ARV), and Industry 4.0 Manufacturing Intelligence Solutions (V-ONE). Complementing these SMT PCB Assembly Solutions, ViTrox will also showcase its VisionXpert solutions - Smart Code Reader and Smart Camera, which redefine precision and efficiency in manufacturing.

In addition, ViTrox is seizing this golden opportunity to unveil two groundbreaking new solutions at IPC APEX EXPO 2025: the V510i Advanced 3D Optical Inspection (AOI) DST and the V510iR (Conformal Coating and Final Inspection)! These innovations are equipped with

advanced, intelligent features that promise to revolutionize production lines and deliver unparalleled efficiency and quality control.

Throughout the event, ViTrox's expert team from both its global headquarters and the U.S. will be available to provide live demonstrations, share in-depth technical insights, and engage in meaningful discussions with attendees.

Discover how ViTrox's innovative solutions can transform your operations and drive success. Schedule an exclusive consultation with our specialists by visiting Booth #1810 or accessing the link below: [[Schedule Your Consultation Here](#)]
