

TECHNICA USA TO EXHIBIT AT APEX/IPC 2025

Technica USA once again will be participating at 2025 IPC Expo, Booth # 4110. Technica USA is leading distributor of equipment, materials and automation solutions for the **PCB FABRICATION (PCB), PCB ASSEMBLY (PCBA), SUBSTRATE and SEMICONDUCTOR Markets.**

Accompanying Technica in our booth will be some of our leading supply partners in the PCB Fabrication Market:

Wise: Manufacture of Wet and Mechanical Process Equipment

Dynachem: Manufacture of Manual and Automatic Laminators, Spray Coaters and Mylar Peeler

CB Tech: Manufacture of Direct Imaging Equipment Utilizing LED and Laser Technology

SAA: Manufacture of Automation Solutions for PCB, Substrate & Semiconductor Markets

PAL: Metallization Process Equipment both Vertical and Horizontal

Mach3 Lab: X-Ray Drill Optimization and Inspection Equipment

REECO: Manufacture of ESD Workbenches and Clean Room Products

Zmetrix: Manufacture of Impedance Test Systems

Vision Engineering: Manufacture of Ergonomic Microscopy, 3D Visualization & Metrology Solutions

Cedatec Tech: Manufacture of Lamination Presses, Pinless & Bonding Systems & Accessories

Teknek: Contact Cleaning Equipment and Manual Contact Cleaning Supplies

EMC Mass Lam: Service Provider of Mass Laminated Printed Circuit Boards

Electra Polymers: Solder Masks including Solder Mask for Inkjet systems Inks & ViaFill Products

(See Electra Polymers also in booth #4434)

We also invite our customers from the **PCB Assembly Market (PCBA) & Semiconductor Markets** to visit our supply partners that will be hosting their own booths:

ASMPT (Booth #1813): Leading Manufacture of Component & Chip Placement & DEK Printing Equipment

Critical Manufacturing: (Booth # 1813): MES System providers

Essemtec (Booth # 2148): Dispense, Ink Jet, and Component Placement Equipment

Inovaxe/Modi/Visiconsult (Booth #915): Component Storage System, Label Generation & X-Ray Counter

Reeco (Booth #1629): ESD Workbenches and Clean Room Products

Cogiscan (Booth 1429): Machine Connectivity Solutions for Electronics Manufacturing

Heraeus Electronics (Booth #3702): Materials for the Assembly & Packaging of Devices in Electronics

Kurtz Ersa (Booth #824): Thermal Reflow & Selective Solder Equipment

Comet/Yxlon: (Booth #4710): Industrial X-Ray and CT Inspections Systems

Flexlink (Booth # 1049): Automation Handling Equipment

Texmac/Takaya (Booth #3530): Electrical Test, Flying Proper Equipment

Vision Engineering (Booth #938): Ergonomic Microscopy, 3D Visualization & Metrology Solutions
