Qinyi Electronics Co.,Ltd
Shenzhen • China

About US

Qinyi Electronics Co.,Ltd (QYSMT) is established in Shenzhen China in 2006, which specializes in SMT machines and spare parts for more than 12 years.

Adhere to "One-Stop Solution", with fully experienced and professional team, QYSMT provide cost-effective, practical and suitable solutions to domestic and abroad customers, which include Bosch, Dixon, Panasonic, Samsung, TCL, Cliptech, etc.

“ WE STARTS WITH WHAT THE CUSTOMER REQUIRED AND WITH THE SATISFIED END ”

Our Customers

QYSMT provide world-wide customers with one-stop solution for their industry need.

Our Advantage

QYSMT is a manufacturing & sales complex which has more than 50 R&D engineers and technical people, Our professional technician team can offer customized made service, like nozzle designing, feeder modification, etc.

QYSMT has more than 12 years SMT experience and serve hundreds of domestic and abroad customers, which has implemented solutions to improve the efficiency and reduce the cost of the factory successfully.

Design & Make Special Nozzle

We can design and make all well-known brand SMT nozzles, if you provide nozzle drawing, component drawing or provide nozzle sample.

Lead time: 3-5days.

Warranty: 3 months.

Repair Service

We can offer repair service for Lasers, Motors, Drivers, PCB board.

Lead time: 3-5days.

Warranty: 3-6months.
