

ASCE 7 Online

A faster, easier way to work with Standard ASCE 7

asce7.online

ASCE 7 Online replicates the complete provisions and commentary of *Minimum Design Loads and Associated Criteria for Buildings and Other Structures*, ASCE/SEI 7-22 within a suite of interactive tools and feature-rich functionality.

EXCLUSIVE enhancements to the ASCE 7 Online Platform version of the Standard include:

- access to ASCE/SEI 7-22, 7-16, and 7-10 editions;
- convenient side-by-side display of the Provisions and the Commentary;
- redlining feature to quickly spot changes between editions;
- critical real-time incorporation of supplements and errata with date stamps;
- annotation and bookmark tools;
- corporate notes feature enabling secure communications within the text of the Standard (corporate license only);
- personal notes;
- advanced search feature to limit a search to specific chapters or sections, or specific types of content, such as captions, tables, and references; and
- toggling between Customary and SI unit measurements
