Krug's Ascend Wins Gold AGAIN!! 1st place GOLD Winner in the HCD Product Innovation Awards!!

This annual Healthcare Design Innovation Awards program recognizes product manufacturers offering the most innovative and unique products used in the design of healthcare environments. Jurors evaluated products based on their contribution to the quality of care, functionality, environmental sustainability, quality of construction, aesthetics and style, and value - once again Ascend came out on top!

Don't miss the May 2019 issue of *Healthcare Design Magazine* for the full-page feature article on Ascend!
