

## Spec™ Introduces Parkdale, a new Collaborative Table

May 11, 2020

### FOR IMMEDIATE RELEASE

We regularly change the way we work and the way we play. Welcome Parkdale, a new collaborative table from Spec!

This collaborative table comes with either single top, or a split top with a 3" gap. The latter accommodates clip-on power modules throughout the entire length of the table, it acts as an integrated channel for wire management, and it has the capability to mount table screens and other dividers. Available in three different heights, up to four different widths, and a range from 72" to 216" lengths, and in a square, rectangle, and round tabletop shapes, there is a Parkdale table for everyone. And just like all other Spec products – finishes are unlimited with 76 base finish colors, and any laminate or veneer of your choice!

Parkdale table is shipping on September 1, 2020.

-----

Spec, a prominent contract furniture manufacturer, was established in 1991 out of a desire to bring a unique customer-oriented approach to the contract marketplace. The company provides strong designs that excel at meeting all core requirements, together with a huge array of options, choices, price points and scales so Spec customers can specify the best possible solution.
