GRAND RAPIDS, MI - 2/90 Sign Systems has been providing wayfinding solutions for over 40 years. Their sign systems respond quickly and clearly when change happens. In addition to changeable signage, 2/90 is excited to introduce a new line of social distancing products to help America get back to work™ including window signs to hold temporary paper messages.

Messages™ Window Signs provide communication where it matters most. The right message, in the right location, at the right time makes all the difference to ensure everyone has the information they need. Signs ship with complementary paper message or print your own.

2/90 Sign Systems' Messages™ Window Signs are available in our three standard sign systems: Arc, Slide and Klik. Messages™ is available in freestanding and adhesive wall mounts. Windows hold standard 8.5"x11 and 11"x17" paper. Signs are black with satin natural aluminum where applicable. No specifying needed; 2/90 selected the most popular finishes and options. Signs are inventoried for a speedy delivery in as little as one week.
