

Winners Announced - 2020 Inspiration Contest for Office Designers

Westwood, MA, and Laval, QC, June 4, 2020 – 2020 Spaces is pleased to announce the winners of this year’s 2020 Inspiration contest for office designers. Participants submitted their latest and greatest designs using 2020 Visual Impression. This advanced office design software is made for professional designers who are looking to provide their clients with realistic visualizations using actual products and finishes that are available through a wide selection of built-in manufacturer catalogs.

Designers were encouraged to submit their entry into one of six categories – Educational Spaces, Wellness in Design, Collaborative Designs, Flexible Plans, Home Office, and Orange is the New Everything. An expert panel of judges determined the final winners in each main category, and an additional winner was selected by voters’ choice.

The winners of the 2020 Inspiration Contest for office designers for the year 2020 are:

Educational Spaces - Marianne Box from Hertz Furniture

Wellness in Design - Anne Sullivan from drb Business Interiors

Collaborative Designs - Dave Loos from Concept 3 Business Interiors

Flexible Plans - Jennifer Ballantyne from Concept 3 Business Interiors

Home Office – Taylor Westrick from Transact Commercial Interiors

Orange is the New Everything – Jenna Kurtz from Ethosource

Voters’ Choice – Symone Heard from Cox Commercial Interiors

“We are so very pleased with all the wonderful designs we received this year for our 2020 Office Inspiration contest,” says Cindy Maple, 2020 Office Product Manager. “We’d like to thank everyone for

their submissions and give a special round of applause to our winners. It’s so inspiring to see the amazing work that can be accomplished with our 2020 Office Solutions. These moments

serve to showcase all the reasons why we strive to provide the best tools for our clients to succeed in bringing their creativity to life.”

About 2020

2020 helps professional designers, retailers and manufacturers in the interior design and furniture industries capture ideas, inspire innovation and streamline processes. By providing end-to-end solutions and the world’s largest collection of manufacturers’ catalogs, 2020 provides businesses with the software and content to be more efficient, integrated and productive. 2020 applications allow professional designers to create kitchens, bathrooms, closets and commercial offices which look as stunning on the screen as they do in reality. 2020 helps retailers to inspire the imagination of their customers and provide an on-line design and shopping experience for home projects. Our solutions for furniture and cabinet manufacturers deliver a complete manufacturing operations management capability to run their factories at maximum efficiency.

Founded in 1987 and headquartered in Laval, Quebec, 2020 employs over 500 people, has direct operations in 11 countries, and supports customers in many more locations around the world through a network of value added resellers.
