

OfficeSource[®] Introduces the “Scoop Collection”

The Scoop Collection offers both comfort and good looks for any office space. With its mid-century, modern chairs, this collection is a fun alternative to any guest seating, living room seating, or even executive seating. Make your office unique by using the Scoop Collection.

This mid-century modern scoop chair provides a fun alternative to any regular, boring seating. Coming in two velvet upholstery colors, including blue and gray, this chair both feels and looks good. The chair also comes in three base options, including a five star base, a metal base and a wood leg base. All of these options provide uniqueness and functionality.

- Three Chairs to Choose From
- Two Upholstery Options: Blue Velvet & Gray Velvet
- Environmentally Friendly
- Non-Toxic
