BAKER TILLY

Candor. Insight. Results.

The retail world moves fast. Baker Tilly's industry approach and knowledge of today's technology enables us to provide more than 600 grocery and convenience store clients across the United States with the information they need to make the right business decisions.

Whether understanding business analytics, assisting with tax planning, identifying finance and accounting trends, or implementing technology solutions like cloud computing, our services can help you innovate, compete, and grow in an ever-changing marketplace.

We bring our skills, integrity, and energy to each client engagement. Our primary focus is to provide exceptional core tax, audit, and consulting services while at the same time providing specialized services to enhance your cash flow.

### Industry involvement

Our team attends, sponsors, and speaks at finance conferences specifically for the grocery industry, including National Grocers Association and Wisconsin Grocers Association.

### Grocery insights

Baker Tilly's retail newsletter provides our clients with grocery industry insights, case studies, news, and events that could effect their business.
