Motorola CLP Two-Way Radio

START A WHOLE NEW CONVERSATION IN STYLE AND EASE.

The sleek, new CLP two-way radio reinvents two-way communications for retail, restaurant and hospitality markets. It starts with a sophisticated design that projects a polished image. Then, it makes the user experience completely comfortable and effortless. It's a perfect fit for retail, restaurant, and hospitality environments where customer service and image are key.

THE ULTIMATE IN EASE.

One-button, push-to-talk operation and clear audio performance make CLP extremely easy to use. Don't let the sleek, contemporary design fool you—it's built to withstand the everyday wear and tear of your fast-paced business. The dependable, durable design and long battery life will stand up to the heavy use and round-the-clock shifts of any highly productive team.

PRODUCTIVITY WITH PERSONALITY.

CLP allows your team to stay connected, reduce errors, and respond quickly to other team members and the needs of guests or customers. Plus, there are no monthly fees or per-minute service charges. CLP combines comfort, durability and simplicity in a sleek new design, so your teams are more productive.

VERSATILITY

CLP is available in a basic, 1 channel (CLP1010) version and a 4 channel (CLP1040) version for businesses needing multiple talk groups.

Ready to go out of the box, each CLP includes:

- 9 hour lithium ion battery
- 2.5 hour drop-in charging tray and adapter
- Single pin swivel earpiece w/ inline push-to talk microphone
- Swivel belt holster
- User manual
