

About Bailey Craft Planners

Having both worked in the field of Occupational Therapy for 12 plus years and helping countless amounts of individuals and families set, reach and achieve their short and long term goals, we have an understanding of how organization, functional systems and a well thought out plan are key to being able to balance all the things that life throws at us.

We designed the Simply Yours Day Planner to assist you with keeping your life organized . A simple planner with ample space and over 100 designated pages for all of your daily tasks and to do's. We pride ourselves on being able to set goals and understand the small steps it takes to achieve them.

Our purpose is to educate, share and make a change in the life and daily tasks of individuals and to assist them with having a more organized life. Keeping you Focused, keeping you Organized and keeping you Empowered.
