

ABOUT O2O

O2O transform OFFLINE;
an old-fashioned way of using a
book, to ONLINE; a new way how
to use the book with your smart
devices by collaborating books,
Apps, Social Media and Cloud
computing altogether.

“ INCREASE
YOUR PAPER PRODUCT VALUE
WITH O2O ”

O2O IN BRIEF

REGISTRATION

How to use O2O

Download O2OBooks or O2OJournals App from AppStore or Google Play on your device. Follow the steps on the application for account creation and activation. Register the book by scanning the QR Code as attached on your O2O book.

SCANNING THE BOOK

How to use O2O

Place book flat-opened on dark surface and in bright light, for best quality scan. Make sure all four corners are visible within the frame before scanning. Scanned page shall be stored automatically in O2OCloud.

SMART PAGE ORGANIZER & MANAGER

How to use O2O

O2O shall sort the book pages in sequence according on provided page number, after the book page is scanned. Use Group Index, Date Index, Bookmark or Tagging feature to manage your book. Search and Smart View features allows you to find your book page easily.

7 SEGMENT NUMBERING SYSTEM

How to use O2O

Use dark-inked writing tool to follow the dashed line to create page numbers (see image).
