

Mason Cash 2016 - The heritage range with an innovative twist

Heritage brand Mason Cash continues to maintain a timeless collection whilst adding versatility and modern touches with new additions to a wide range.

This Fall/Winter, Mason Cash's iconic Cane Mixing Bowl becomes the centre of inspiration for the Original Cane Accessories range. Bright and bold colours are also added into the mix with the Coloured Mixing Bowls range.

Original Cane Accessories

Inspired by the traditional Cane Mixing Bowl, the Original Cane Collection from Mason Cash is the perfect addition to any modern or traditional kitchen. This comprehensive range combines the unique quality and heritage of Mason Cash and features everything from food preparation items to storage solutions and ovenware. The stacking milk bottle measuring set incorporates three measuring cups and a flour shaker lid. When stacked, the set creates a beautiful, traditional milk bottle.

MSRP prices range \$4.00 --- \$75.00

Typhoon 2016 – Distinctive, Durable and Design led Homeware

As the home of affordable designer homewares, Typhoon reveals its latest innovative products embodying sleek, modern and innovative designs. Seasonings multifunctional Herb and Spice Grinder is a new addition to the growing collection and Typhoon introduce NUBU, the eco-friendly bamboo storage range.

Seasonings Herb & Spice Grinder

This fun, stylish and practical grinder is the latest innovative addition to the Seasonings range at Typhoon. Its compact design allows easy storage, as an alternative to a pestle and mortar. The grinder has two porcelain pots that nest together with grinding teeth. Small portions of herbs and spices are ground by twisting the inner pot with its rim and holding the outer pot still. The inner pot can be used to store herb and spice mixes afterwards, as the cork stopper keeps the contents fresh - the perfect tool for any kitchen.
