Alison Evans Jewellery
Handmade, Booth: 9533G

Alison Evans is best known for her distinctive jewellery based on refining the techniques of chainmail. Her work explores touch and movement- essentially discovering the deftness of hard materials. This process produces a textile-like quality in the pieces which allows them to fall and lie naturally – accentuating the curves of the body.

Grainne Morton
Handmade, Booth: 9533B

Grainnes creativity comes from her culture: traditional crafts, folklore, music and fairy tales. Grainnes work is profoundly personal, almost in a subconscious way. Whilst all above feed her designs, her personality is represented. She can be contradictory and this is apparent in her work - vintage/contemporary, precious/non-precious, spontaneous/ordered, junk/treasure.
