

GUNAS is a luxury vegan handbag brand founded in 2009 by designer Sugandh in New York. Since its inception the bags have been featured in numerous publications such as VegNews, MarieClaire, Fortune.com, ABC channel, Time magazine and influential vegan blogs.

GUNAS also won an award from PETA for being the most stylish vegan handbag brand in 2014. The Ethical Fashion Forum in London recongnized **GUNAS** for being the brand with highest ethics in production in 2012.

Each collection is handcrafted using small artisan based studios from around the world. The styles are a mix of modern, classic and ethnic with pricing ranging from \$50-\$299. With hobos, crossbody, top handles and backpacks, there's a bag for everyone!
