

GLASS CORE BOTTLE

12oz./335ML

RETAIL PRICE: \$24.99

Zoku's 12oz. double-wall suspended Glass Core Bottle is the perfect balance of health, style, and durability. Fill them with your favorite hot or cold beverages and enjoy the flavors in their crispest form—fresh from this pure borosilicate glass bottle. BPA and phthalate free.

Suspended Borosilicate Glass Core

Protect the flavor of your beverage in a pure borosilicate glass bottle without the worry of shattering it.

Impact Absorbing Suspension System

The strong, triangular tessellation found on the silicone pads protect the bottle from bumps and drops.

Glass Bottle Opening

Glass, thread-free mouthpiece will not hold flavors—freeing you to switch between beverages.

Rapid Lock™ Technology

Take your bottle everywhere without the worry of spilling it! 1/4-turn locking cap system is leak-proof and worry free.

GLASS CORE BOTTLE

16oz./475ML

RETAIL PRICE: \$29.99

Zoku's 16oz. double-wall suspended Glass Core Bottle is the perfect balance of health, style, and durability. Fill them with your favorite hot or cold beverages and enjoy the flavors in their crispest form—fresh from this pure borosilicate glass bottle. BPA and phthalate free.
