Visit booth #W1625, and meet SBA Loan Group's team, collectively with over 35 years of experience in assisting and obtaining SBA backed loans for our clients. Our team has in-depth knowledge of SBA standards facilitating and accelerating the approval process. An appointment can be made in advance by calling 718-744-7459 or visiting the [company website](#).

SBA Loan Group works with the borrower to gather all the data needed to apply for an SBA loan. We then analyze the data to ensure that the company qualifies for the loan. Once qualified, we prepare a pre-underwriting analysis, fill out all the bank application forms, and apply on behalf of the customer to one or more of our more than 40 participating banks.

"SBA Loan Group stays with our clients until the loan closes. We only receive a fee on the successful closing of the funded loan," said Yankie Markowitz, managing partner. "In 2017 alone, we secured for our clients more than \$200,000,000. We are very different than big

banks,” said Markowitz “we take a personal approach and see our clients not as numbers, but as real people facing real-life challenges.”
