Copper Basin™ Highlights Third Generation Takedown Firearm Backpack and Introduces New Colors at SHOT Show 2019

The low-profile, Gen 3 Takedown Firearm Backpack defines discreet carry and protection for your take-down firearm. Stop by Booth 1925 to see the complete Copper Basin™ line of outdoor gear.

Nampa, Idaho (January 2019) – [Copper Basin™, LLC](http://www.copperbasingear.com), manufacturers of innovative, lightweight bags and packs for hunting, hiking and low-profile firearm storage, continue to evolve the popular [Gen 3 Takedown Firearm Backpack](#) with their new 2019 colors, available at [SHOT Show 2019](#) in Las Vegas, Nevada, Jan. 22-25, 2019 at booth 1925 alongside [Adaptive Tactical](#) and [Mossberg Gear](#).

Unlike other firearm backpacks, Copper Basin's pack is made for discreet carry with non-military, non-law enforcement looking materials and for 2019, new colors include a Vintage Green Waxed Canvas and a Grey & Black Water Proof Bag. The Takedown Firearm Backpack allows for quick access and rapid removal of the firearm components.

Just a sampling of the firearms that can be broken down and comfortably carried in the Takedown Firearm Backpack include:

- Ruger® 10/22 Takedown® Factory Rifle, 22 Charger™, 22 Charger™ Takedown and PC Carbine
- AR & AK Pistols
- AOW Shotguns / Compact Shotguns
- Century Arms AK Pistols
- Century Arms Draco Pistols
- Henry® Survival AR-7 Rifle
- Kel-Tec Sub-2000 Rifles
- Kriss Vector Gen II SDP and SBR
- SIG™ MPX SBR, MPX-K SBR, PMPX
- Alaskan Lever Action Takedown Rifle
- Zenith Firearms MKE Z-5RS, MKE Z-5P, MKE Z-5K

Booth 1925 will have on display Copper Basin's [Modular Game Pack](#), an essential hunter's accessory that provides hunters with twin, large capacity game pockets in hi-vis hunter orange. [Mossberg® Gear](#) will also be at Booth 1925, where customers will find top-quality, licensed gear and accessories for hunters, shooting enthusiasts and tactical operators including slings, shell carriers, gloves and belts. Besides Copper Basin and Mossberg Gear, booth 1925 also features Adaptive Tactical's line of firearm stock and accessories including the popular Sidewinder Venom™ mag-fed shotgun system and ADTAC stock systems.

“We are encouraged by positive sales growth for Copper Basin products in 2018 and we are looking to grow our Dealer and Distributor customer base further at the 2019 SHOT Show,” said Gary Cauble, director of sales and marketing for Copper Basin.
