

## ALTAMONT® Ruger Wrangler Grip Panels

ALTAMONT® just recently released a series of attractive wood grips for the Ruger Wrangler. These drop-in fit replacement panels are offered in Santos Rosewood, Super Rosewood, Super Walnut, or Silverblack in Checkered Fleur-de-Lis or smooth finishes. Also, available in the laser textured and hand painted Imitation Stag finish.

These grips join Altamont's extensive offering of handgun grips, rifle stocks, accessories, and metal engraving. All made in America and available on their website at [ALTAMONTCO.COM](http://ALTAMONTCO.COM).
