

Introducing the world's first *Smart DryFireMag and Laser!*

DryFireMag, LLC has always been about innovation. This time we went above and beyond to forge something really game changing - the Smart DryFireMag and Laser. The smart DryFireMag senses when it's in your pistol, and when paired with the DryFireMag app view your lifetime trigger press reps, alter your laser ammo capacity, or set it to unlimited mode.

Try the all new Smart DryFireMag with your favorite app! Now you can train better than ever from the convenience of your home. Once again, we've changed the game. Reloads and running a dry course of fire are now possible with the Smart DryFireMag. Train dryfire against your friends! The standard has been raised!

DRYFIRE TRAINING WILL NEVER BE THE SAME!
