The Essential Backpack For Life On The Go

The self-stowing Hammock Bliss Ultralight Travel Backpack is so amazingly practical that it will become one of your travel essentials. It comes as lightweight compact pouch which opens up to a feature rich, super strong and comfortable backpack. Providing 1100 cubic inches of space to store your all of your gear, it is the perfect backpack for a sightseeing, hiking, biking traveling or shopping. When stuffed back into its tiny attached storage pouch, your backpack is always there ready for action in your car, your purse, your backpack or your bike saddlebag. Bliss has never been so convenient.
