

The Name To Remember Is, Cary....*Concealed Cary!*

Behind every great man stands a great woman! Introducing Concealed Cary. Savvy sophistication, Concealed Carrie's newest line of products designed specifically for men. After all, why should women have all the fun?

The sooner it gets scratched or nicked, the better. Really! It's called "Patina" and you're going to call it your favorite conceal and carry solution. Rich Smooth Brown Leather and Aged Hardware add to the character of this "All- In-One" briefcase. Separate secured ambidextrous firearm compartment with removable and adjustable hook and loop holster. Adjacent dedicated Tablet compartment with padded easel adjusts to two positions. Large main compartment is filled with numerous pockets and dividers to keep even the busiest individual organized and prepared. Additional separate padded compartment fits up to 16" laptops. Exterior sleeve keeps items that need quick and easy access at arms-length. 5" handles and removable padded shoulder strap adjusts to 48".

MSRP \$349.

Take aim with timeless elegance, superior materials and quality workmanship.

Pair with a matching money clip in Smooth Brown Rubbed Leather or Waxed Black Leather. RFID Protected! MSRP \$49
