

STAND OUT FROM THE CROWD!

Concealed Carrie is stepping up to solve your self-defense needs with another fashion forward solution. Our enormously popular Leather Ostrich Printed Computer Case now has a companion. For those of you who want to travel light and don't want to compromise fashion or function, our unique Leather Ostrich Printed Tablet Case is the perfect solution.

Maintain your sense of style and security with its duly functional double zippered compartments. One side is filled with pockets and dividers allowing for personal items, identification and wallet solutions. Smooth padded leather removable Tablet case with shoulder strap and Hook and Loop attachment and easel easily props to two positions. Additional double zippered conceal and carry compartment includes removable and adjustable universal Hook and Loop holster for secured and easy ambidextrous access. Exterior features removable and adjustable shoulder strap, retractable handle and additional document pocket. MSRP \$289.

As usual, *Concealed Carrie* has thought of everything!

All *Concealed Carrie* handbags come with a Concealed Carrie dust bag, key chain and fashion tassel. This handbag best accommodates any compact or sub-compact handgun and also securely holds Tasers, stun guns, pepper sprays and like forms of non-lethal self-defense products with an adaptable Hook and Loop *Concealed Carrie* holster.

Come see our full line of *Concealed Carrie* products in **Booth 10554** and at www.concealedcarrie.com.
