

PRESS RELEASE

December 6, 2016

Battle Arms Development's THE 300[®] PDW – 7.5" 300BLK SBR Personal Defense Weapon.

BATTLE ARMS DEVELOPMENT, INC.[®] (B.A.D Inc.TM)

Is excited to announce that it will be unveiling **THE 300[®] PDW – 7.5" 300BLK SBR Personal Defense Weapon** at **SHOT Show 2017**.

Built on the flagship BAD-PDW[®] Monolithic PDW Lower and VERT[®] Stock System, THE 300[®] features a 7.5" 300BLK barrel and ambidextrous controls. Designed for law enforcement, executive protection, and special operations. At only 20.1" overall, it is perfect for where discretion, portability, and concealment is of utmost importance.

BATTLE ARMS DEVELOPMENT, INC.[®] is recognized in the industry as a manufacturer of next generation firearms and firearm components through innovative engineering and functionally aesthetic designs.

If you have any questions about this announcement, or any of **BATTLE ARMS DEVELOPMENT, INC.[®]**'s products, please email info@battlearmsdevelopment.com or visit <http://www.battlearmsdevelopment.com>.
