New, Social, Weapon Broker Community, Weapon Depot, To Be Launched at Gun Show, Jan. 17

*New Brokering Community Uses Social Platforms to Build A Brokering and
Peer-to-Peer Community to Safely Buy and Sell, Firearms, Ammunition and Accessories*

- WHO:** Weapon Depot presents a whole new caliber of online buying and selling. Both an auction site and an online store with multivendor storefronts, Weapon Depot presents buyers with a broad selection of firearms and accessories in one place, while offering multiple sellers the opportunity to reach a nationwide audience. Weapon Depot also features a peer-to-peer component not currently available on any other weapon broker site, creating the greatest platform for like-minded enthusiasts to connect – and to safely buy and sell firearms, ammunition, and accessories as well as hunting, camping, archery, fishing, and tactical gear.
- WHAT:** Join CEO Robert Sirianni Jr. at a press conference to launch this new social platform, a new way to broker that is loaded with features.
- WHEN:** Tuesday, Jan. 17, 2017, 1:00 p.m.
- WHERE:** Marcello Press Conference Room, #4504
- INTERVIEW
OPPS:** Robert Sirianni Jr., Chief Executive Officer and Founder of Weapon Depot
