

## **Alien Gear Holsters to Unveil Breakthrough Holster System at 2017 SHOT Show**

**January 2, 2017**

**Post Falls, ID** – Alien Gear Holsters is set to unveil a revolutionary gun holster system at the 2017 SHOT Show in Las Vegas, Nev. This special event will be held at The Venetian Resort Hotel Casino on Tuesday, Jan. 17, at 1 p.m. in the Delfino 4003 Meeting Room.

Company founder and owner Thomas Tedder will demonstrate this innovative concealed carry holster in front of a live audience, along with an informative slide presentation detailing the historic evolution of this product from prototype to perfection. Afterwards, Tedder will open the floor for questions to the media.

Alien Gear Holsters paved the way for concealed carry by designing the most comfortable, concealable, and affordable holsters on the market. Now, the company is advancing the concealed carry world once again with a holster capable of being worn in a variety of ways. A truly modular concealed carry product.

All media, writers, bloggers and SHOT Show attendees are welcome to attend the two-hour grand unveiling.
