

# CR Speed - Rescomp introduces New Products for 2017

## CR Speed "C-Bax" Production Hanger

Building on the success of CR Speed's innovative competition "Race" Holster, the WSMII & the newly upgraded "C-Bax" belt hanger system. CR Speed introduces a Kydex holster adapter to comply with rules set out in certain USPSA divisions.

The New CR Speed C-Bax Production Hanger System allows for rock solid mounting, maximum adjustment and optimum positioning of the Handgun.

**CR Speed Holsters, the Choice of multiple USPSA National & World Champions.**

## CR Speed "ULTRA-Belt"

RSA Des. Appln.  
A2016/01908

CR Speed's two part belt system was rated the Number One choice of competition belt at the recent USPSA National Championships, according to a survey held.

New for 2017, the line has been updated with the addition of the new enhanced ULTRA-Belt "**Reg Design Pend.**" Available in a variety of popular colors, these are sure to take the competition shooting scene by storm!

**CR Speed Belts are the most Popular choice at National level USPSA Matches.**

## NEW AR Muzzle Device - MAMBA Comp

Our new AR Muzzle Device - MAMBA Comp Features Three progressive chambers with six side ports and three hybrid top ports. The "PGR" design ensures **Progressive Gas Release**, maximizing efficiency and ensuring low felt recoil and fast accurate follow-up shots.
