

Patriot Ordnance Factory firearms now being treated with SEAL 1 CLP PLUS®

December 21, 2016

Brownville, Maine – SEAL 1 is proud to announce that after extensive testing Patriot Ordnance Factory has begun treating all their firearms exclusively with SEAL 1 CLP PLUS®.

Scott Lee from SEAL 1 had this to say:

“This is a strong statement from POF, they make top quality firearms and after testing they found that their guns performed even better when treated with SEAL 1 CLP PLUS®. We look forward to a long relationship with <http://pof-usa.com/> and look forward to hearing more of their SEAL 1 success stories.”

About SEAL 1- SEAL 1 manufactures a complete line of gun care products at their factory in Maine. SEAL 1 CLP PLUS® products are bio-based and non-toxic. SEAL 1 CLP PLUS® products Clean, Lubricate and Protect. No other products are needed. SEAL 1 and Done. “Get the Tactical Advantage”™
