FOR IMMEDIATE RELEASE

## **TEKKO POLYMER AR15 CARBINE 7" DROP IN MLOK™ RAIL SYSTEM**

*The Polymer AR15 Drop In Carbine MLOK™ rail system allows mounting of tactical accessories.*

**Horsham, Pa. (November 2017)** – [Mission First Tactical](http://www.missionfirsttactical.com), LLC (MFT™), a leader in USA-made rifle/carbine accessories, is proud to release its latest product, the [TEKKO POLYMER AR15 CARBINE 7" DROP IN MLOK™ RAIL SYSTEM](#) (TP15MRS).

This proprietary Polymer AR Carbine rail system allows secure mounting for MLOK™ accessories like vertical grips, bipods, lights, lasers. The MLOK™ system allows for universal modularity between numerous manufacturers of accessories and accessory rails. There is a Sling QD mount for right handed operators.

“We created this handguard for an end user looking for a different foot print with enhanced features that’s price sensitive. It’s light, tough as nails and allows accessories to be quickly and easily added,” said MFT’s Vice President David Edelman.

The rail is manufactured using MFT’s propriety polymer that is heat and impact resistant. The drop in nature of the rail allows for easy installation. It also provides a larger range of modularity with mounting positions at the traditional 12, 3, 6 and 9:00 positions.

The Tekko Polymer AR15 Carbine M-LOK™ Rail System replaces the plastic factory handguard in minutes and requires no gunsmithing. No permanent alterations need to be made to the rifle it’s a drop in screwless installation, the unit is held in place by the Delta ring and handguard cap. Available in Black or Scorched Dark Earth (Tan), the TP15MRS is made in the USA with a lifetime warranty.
