GLOCK® PRO TOOL MODEL# VTGLPRO

This is the ultimate tool for the Glock® Armorers and enthusiasts. This handy multi-tool has five specific tools for the very popular Glock® pistols.

PRODUCT FEATURES

- Handle has rubberized textured panels
- Tool bits can be stored inside the hollow handle

**Specific tools for Glock® pistols.
Quick change tool bits included.**

1. Magnetic 3/16" hex nut driver for the front sight
2. Channel liner removal tool
3. Hardened steel 3/32" (2.5mm) disassembly tool
4. Channel liner install tool
5. Flat blade and Phillips screwdriver bit.
6. The tool handle has a cavity for holding the firing pin and spacer in place for easier assembly/disassembly of the firing pin spring and spring cups.

*GLOCK® is a trademark of GLOCK, Inc.
