Star SU to exhibit at SHOT Week Supplier Showcase

HOFFMAN ESTATES, IL., November 6, 2019 — Star SU LLC will be exhibiting at the [2020 SHOT Week Supplier Showcase](#) in Las Vegas, January 20-21, 2020. Entering its fourth year, the SHOT Week Supplier Showcase was developed in conjunction with the SHOT SHOW as a dedicated event for suppliers to present their products to shooting, hunting and outdoor manufacturers.

Star SU / Star Cutter Company (Booth 51535) will present our firearm industry products, including:

- Gundrills (including high performance / high feed), pull reamers, and rifle buttons for the barrel making process
- Solid carbide gundrills and deep hole twist drills for firing pin bore and form
- SRT Reamers to machine the upper tight tolerance bore
- Small diameter step drills and drill / chamfer tools for many applications
- PCD tooling for aluminum applications

Barrel Manufacturing

Twist drill for firing pin bore and other applications
