

## 2016 marks Warne Scope Mounts 25<sup>th</sup> Anniversary

In 2016 Warne Scope Mounts will celebrate 25 years of delivering superior products and exceptional customer service to the shooting community. We take this opportunity to thank you for helping us succeed, and to invite you to join us in celebration of this accomplishment.

Warne Scope Mounts wishes to express our sincere appreciation to our employees, and customers for their loyal support as we celebrate our anniversary. When our company was founded in 1991 with a few employees, we could hardly foresee our growth to over 75 employees, and becoming one of the premier scope mount manufacturers in the world with products sold in over 33 countries. We could not have come this far without the loyal support of our customers, and hard work of each member of the Warne team.

*“Anniversaries are opportunities for recollections of the years gone by, and positive reflections for the years ahead. As we celebrate the 25<sup>th</sup> anniversary of Warne Scope Mounts, I especially value the people we are able to share this occasion with. In life, It doesn’t matter where you go, what you achieve, or what you do; What matters most is who you have beside you along the way!”* Dan Goetz, CEO
