## ERGO NEWS FOR 2021

ERGO will be transitioning to a new location in 2021. This move will allow us to expand our production and shipping capabilities to better serve our customers. We will remain in our home state of New Mexico, and even in the same city. We'll start to stretch our wings this spring.

### SEEKING NORTHERN NEIGHBORS

At the end of 2020 we entered into the prospect of processing orders shipping to Canadian retailers. If interested, please seek out [www.ergogripsdealer.com](http://www.ergogripsdealer.com) to register for a reseller account.

### ERGO RESELLER PORTAL

The ERGO Reseller Portal has been available to dealers since 2018 and allows dealers to view the entirety of our product line with real time pricing. Be aware of new product releases, pricing specials, item in stock notifications, and item pre-orders. Orders can be placed directly through the Portal or you can submit a contact form to get directly in touch with our sales representatives.
