

InfiRay Outdoor Attends SHOT Show 2022

InfiRay Outdoor will participate in SHOT Show 2022. The show is the industry's only shooting, hunting and outdoor enthusiast trade show and is owned and operated by the National Shooting Sports Foundation® (NSSF®). The booth of InfiRay is NO.40907, SANDS EXPO CENTER.

ZH38

ZOOM Series

High-end Thermal Imaging Monocular

InfiRay Outdoor take their representative thermal imaging hunting scopes and digital night vision scope on the show, including the popular thermal scope Rico series which was built to do two things: Make the best image possible and be easy to use". Tube (BOLT) series, a cutting-edge thermal imaging riflescope, which has a similar appearance with the Day riflescope. Tube was designed from the ground up for optimal use on bolt action rifles and other platforms that demand flexible mounting options with increased eye relief. Holo series is welcomed by airsoft fans. Classical thermal monocular E6+V3 of Eye II Series, it is the first
