

Insurance Program Offerings for Gun Stores & Ranges

Atlanta, Ga., October 18, 2022 — Breckenridge Insurance now offers even greater coverage at a competitive rate for the specific interests of gun stores and ranges. Gun store/range owners and operators looking for a new carrier, who have recently been non-renewed, or are tired of long turnarounds now have additional options for finding the right tailored insurance coverage.

As part of this established program, the exciting capabilities now offered include:

- An ATF supplemental endorsement – This program feature allows gun store owners to sustain business operations should an ATF violation and investigation be initiated.
- Cyber coverage – Now offering up to \$10MM limits of cyber coverage.
- Professional liability exposures – To further protect those who train on conceal/carry, the policy can offer valuable additional coverage options.

These are in addition to our existing coverages, including:

- Property insurance
- Crime insurance
- General liability
- Excess Liability Limits up \$5MM

Coming soon, Breckenridge will also be launching a self-serve online portal for hunting lease insurance. This new portal delivers comprehensive coverage at competitive rates from an AM Best A Rated Carrier. Select appointed agents and their insureds will be able to quote and apply and pay for policies online, quickly and easily. Coverages include:

- \$1M per occurrence: \$2MM aggregate
- No Deductible
- Fire damage liability: \$100,000
- Medical expenses: \$5,000
- Liability from ATVs and tree stands for hunting

Problem solvers found here.
