## The SOLSTICE®

Designed by renowned custom knifemaker Andrew Demko, the Solstice™ is the epitome of executive knife excellence. Our mission was to design the best executive folding knife possible, with an eye for elegance and sophistication, and the performance to back up its good looks. Modern, discreet, lightweight, and easily carried in your front shirt or suit pocket, the Solstice™ was made to Demko's exacting standards and crafted from the highest quality materials. Featuring aerospace grade titanium or optional carbon fiber handles, premium S35VN steel for the ultimate edge retention and wear resistance, an ambidextrous stainless steel deep carry pocket clip, and stainless-steel caged bearings with flipper opening for incredibly smooth and fast deployment. The Solstice™ is more than an elegant accessory, it gives you the precision to perform, and the power to impress.

## About OCASO®

Ocaso (oh-kah-soh) specializes in premium gentleman's, executive, and everyday carry (EDC) pocket knives. Our knives are designed by leading knifemakers in the industry, with careful attention to detail, quality craftsmanship, and superior function. We strive to make the highest quality production knives using premium materials and a refined, elegant design aesthetic. It's the purpose behind every knife we make.

The founder of Ocaso, Ric Valdez, is a former executive for a leading knife manufacturer and has been in the knife industry for 20 years. Ocaso was founded by Ric's belief that the knife you choose to carry every day defines the essence of who you are and what you believe in. Our goal is to craft sophisticated, versatile, distinctive pocket knives that reflect your personal style. From the office to the outdoors, Ocaso knives are designed to be your companion, for life.
