## IRONCLAD PERFORMANCE WEAR AT SHOT SHOW 2023

**Dallas, TX, January 5, 2023** – Since 1998, Ironclad Performance Wear has been the premier brand in task specific work gloves. Born on the job site, our gloves were the first to emphasize performance in hand PPE by using a new approach in design and construction. This revolutionary approach to work gloves, using premium grade fabrics and a comprehensive fit system, resulted in gloves that are equally protective, durable and comfortable without compromise or equal.

Leveraging the knowledge gained from decades of designing high performance and durable work gloves, Ironclad Command™ Tactical line is made for the rigors of modern combat. The entire line features innovative materials and is constructed using our comprehensive fit system for unsurpassed comfort.

Whether you are a serviceman, first responder or civilian, Ironclad tactical gloves are designed and built for mission critical tasks in harsh environments. Made from innovative materials that help maintain ultimate grip, dexterity and protection when you need it most, these Tactical gloves mitigate environmental variables to ensure your hands are ready for action in any situation.

The Command Tech adds touchscreen device capability and TAA Compliant certification meets U.S. Government and military requirements.

With 27 patents worldwide, Ironclad Performance Wear continues to grow and innovate; bringing new technologies to the everyday heroes, the unheralded men and women whom we depend on every single day. It's a mission we are proud of and strive to deliver with each new glove.

Ironclad has 30+ distribution centers with same day/next day shipping on replenishment orders, a full customer service department for technical calls and strong margins from high-quality gloves. To become a distributor, call 1-844-200-5664.

\*\* End Caps and Freestanding Displays are available to qualified customers.
