

## Maxim Defense to Exhibit at 2023 SHOT Show and NSSF Industry Day at the Range

**St. Cloud, Minnesota – (January [10th](#), 2023)** Maxim Defense, premier manufacturer of precision firearms, suppressors, and accessories, is proud to announce they will be exhibiting at the 45th annual SHOT Show (**booth #11668**) and is a sponsor of this year's Industry Day at the Range (**SR-37**). SHOT Show is held Tuesday, January 17th through Friday, the 20th at The Venetian Expo Center & Caesars Forum in Las Vegas.

"Once again, we've been hard at work!" said Maxim Defense EVP Sales and Marketing, Dave Larson. "At the range this year, we're offering live-fire demos of all our firearms and suppressors —everything from our new **MD:15 Lite** to our latest **5.7 suppressor and the long-awaited PDX-SD**. It's another year of new and groundbreaking product development at Maxim."

"With over 2,500 exhibitors from around the globe, SHOT Show is the leading destination for industry professionals," said David Farrell, Vice President of Commercial Sales at Maxim Defense. "We're launching a host of new firearms, like our **MD:904K— a perfect, compact PDW that's only 17.5" in overall length.**"

In addition to all the show specials, Maxim is providing **daily giveaways**. Every day there will be chances to win awesome prizes, including firearms, suppressors, and exclusive swag.

Make sure you don't miss out — visit the booth daily to enter!
