### Hernon<sup>®</sup> Wins 2023 National E Star Award

**SANFORD, FL - June 2023** - Hernon Manufacturing, Inc.<sup>®</sup> is a proud recipient of the President's E Star Award for Export Service. Hernon<sup>®</sup> is one of only seven US companies to receive this distinguished symbol of excellence in recognition of Hernon's achievement in its significant contributions to increase U.S. exports

The President's "**E**" Star Award ("E-for-Export") is the highest recognition a U.S. entity can receive for making an impressive contribution to the expansion of U.S. exports. Hernon<sup>®</sup> was recognized as consistently demonstrating a sustained commitment to export expansion efforts that support the U.S. economy and create American jobs. Headquartered in Sanford, FL. Hernon Manufacturing, Inc.<sup>®</sup> is and maintains an ever-expanding network of over 100 distributor and partner locations around the globe, already shipping to over 60 nations.

With more than 45 years of engineering excellence, Hernon<sup>®</sup> is a worldwide innovator in high-performance adhesives and sealants, and precision dispensing equipment. The company offers a complete array of solutions for its clients including customized formulas, dispensing equipment and UV curing equipment—to support an efficient, cost-effective design and production process.
