MONTANA FIRST IN NATION: GOVERNOR AND ATTORNEY GENERAL COMMIT TO NSSF SHOT SHOW FORUMS

Montana's Governor Greg Gianforte and Attorney General Austin Knudsen to both participate in respective NSSF forums at SHOT Show in January

MONTANA., ó The third annual Governor's forum at the Shooting, Hunting, Outdoor Trade Show (SHOT Show) in January will, for a second year, include Montana Governor Greg Gianforte representing Montana to the critical firearms and ammunition industry. Governor Gianforte participated first in the National Shooting Sports Foundation (NSSF's) 2023 forum. This year's SHOT Show also introduces the first similar Attorney General's forum where Montana's Attorney General Austin Knudsen will participate.

Montana's leadership will be discussing the importance of the firearm industry to Montana's economy, Second Amendment rights and insights to the challenges and opportunities ahead in the United States.

NSSF's SHOT Show will take place at the Venetian Expo in Las Vegas from January 23-26, 2024. The Governor's Forum, moderated by Lawrence G. Keane, NSSF Senior Vice President & General Counsel, will be on Wednesday, January 24 from 1-2 p.m. PST at the Venetian Expo, Palazzo M (5th Floor). The Attorney General Forum (also moderated by Keane) will be held Wednesday, January 24, from 4-5 p.m. at the Great Outdoors Plaza, Caesars Forum.
