

FREE RANGE HUNTING: THORMAHLEN & COCHRAN SAFARIS

Thormahlen & Cochran Safaris was established in the year 2000 when Texan clients, Charles and Stacey Cochran, joined as partners. Today, Peter Thormahlen oversees the safari business for 25 years – dividing his time between South Africa, Namibia and Zambia. He also accompany clients to other African companies like Tanzania, Chad, Liberia, Uganda, Cameroon and many more. Peter is assisted by a young, energetic team of professional hunters.

Thormahlen & Cochran Safaris focus on FREE RANGE HUNTING AREAS. It was the basis on which the company was built and we will continue to seek new and exciting free range hunting areas. We cater for every client's special safari needs and offers sightseeing, and fishing opportunities to our hunters and observers.

SOUTH AFRICA:

Clients can expect excellent trophy quality and a wide variety of trophies, it is malaria free. The spectacular landscapes are a diverse tapestry of rolling hillsides, hidden valleys, forest ravines and open plains. We also have private hunting areas to complete the full experience and variety of trophies needed. Accommodation is comfortable accommodation and sightseeing opportunities to the famous Kruger National Park and scenic Panorama route are offered. It is ideal for a family safari.

NAMIBIA:

Plains game

Thormahlen & Cochran Safaris hunt in a private concession north of Windhoek. The following trophies are available: red hartebeest, blue and black wildebeest, impala, blesbuck, gemsbuck, springbuck, Hartmann zebra, Eland, caracal, Damara Dik Dik, Duiker, Giraffe, Kudu, Ostrich, Roan, Sable, spotted hyena, steenbuck, warthog and waterbuck.

The arrival and pick up airport are Windhoek International airport and charter options are available on request.

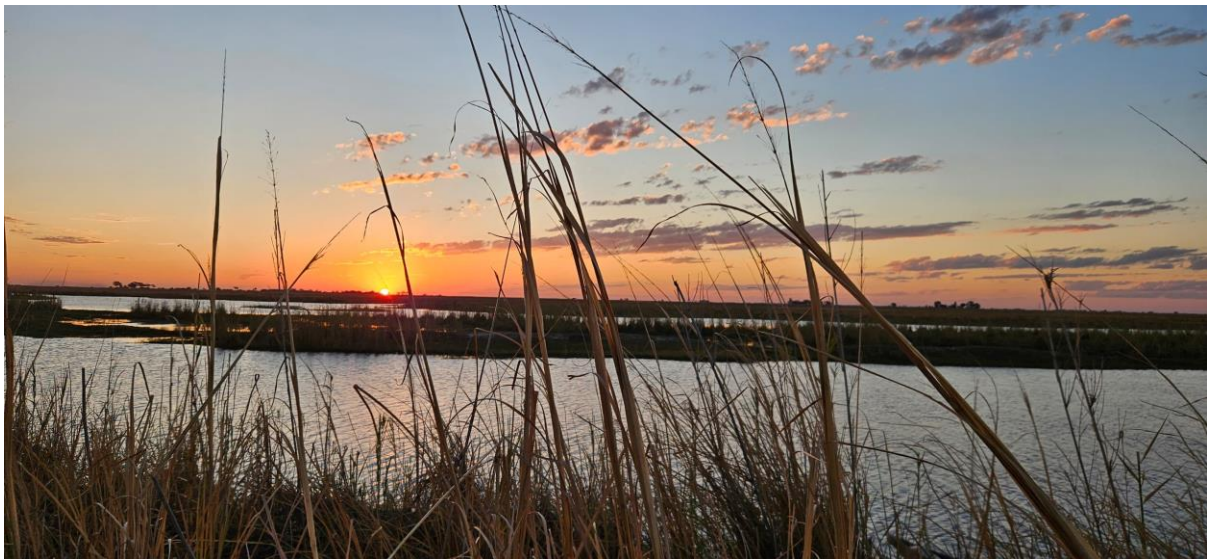

Bushmanland

The two areas consists of of 2.25 million acres. The area is a high rainfall, sand-dune, woodland savannah and home of the Bushman tribe. The Bushmanland is the prime concession for hunting big tusker elephant and leopard. Success rate very high. A small, intimate, yet comfortable tented safari camp, fully equipped with spacious tents and en-suite bathrooms, friendly staff will welcome you.

Caprivi:

The Caprivi in north-eastern Namibia is the strip where four countries meet: Zambia to the north, Botswana to the south and Zimbabwe to the East. We have buffalo, crocodile and hippo trophies on quota. We also have non-exportable animals such as elephant, buffalo, hippo and crocodile at a very affordable price for clients that are not interested in taking a trophy home but experiencing the hunt. Attractions like the world-famous Victoria Falls and Chobe National Park are within easy reach. Tiger fishing is available as well as a sunset trip on the Chobe river. A classic tented safari camp, friendly camp staff are offered.

ZAMBIA:

The hunting area borders the Kafue National Park, which is the oldest and the largest national park in Zambia. Buffalo, lion, leopard, hippo and crocodile are hunted in true free range style. A variety of plains game can be added – all in the same hunting area.

Client tents are the ultimate in bush-elegance, all of which have their own private views of nature's never-ending display surrounding the camp. The bathroom has all the amenities - comfortable bed and indoor shower and toilet.
