

# Essential Provisions

## FOR IMMEDIATE RELEASE

### Essential Provisions Brings Tip-of-the-Spear Nutrition to SHOT Show 2026 – Visit Booth #40931

**Wilmington, OH — June 26, 2025**

Essential Provisions, the leader in shelf-stable, ready-to-eat performance meals, is proud to announce its return to SHOT Show for 2026. Visit **Booth #40931** to experience firsthand what sets our Field Fuel® MREs and Sustain™ performance blends apart in the field.

Crafted by a professional chef. Backed by science. Designed for those who demand clean, high-performance nutrition without compromise.

Whether you're a special operations professional, backcountry hunter, first responder, or weekend warrior, Essential Provisions fuels your mission with whole-food meals made from **organic/regenerative ingredients** and **premium proteins** like **grass-fed, grass-finished bison**. No preservatives. No water required. No prep. Just open and eat—anywhere.

#### Featured Products at SHOT Show:

- **Field Fuel®** – Chef-crafted MRE-style meals (Bison Chili, Bison Stew, Lentil Chili, Vegetable Stew)
- **Sustain™** – Clean, shelf-stable energy blends for pre-, intra-, and post-activity support

#### Booth Highlights:

- Meet the team and learn the story behind the mission
- Limited run discount codes for SHOT attendees
- New product reveals and influencer collaboration opportunities

#### “Food is fuel—but it’s also medicine.”

Born out of necessity, Essential Provisions is redefining what operational nutrition looks like—with meals that taste like they just came out of a chef’s kitchen and perform under the most demanding conditions.
